Dear Mr. Madhava Rao

Sir Krishna desires me to address you with reference to the order (dated 9-9-04 on file No. 178 of 04-05) under which all Palace Servants entertained on or after 2-7-04. were to be compelled to insure under the State Life Insurance

NOTE—Contn. sheet.

rule. As a matter of fact very few Dismissals have been effected in accordance with the order & Experience shows that there would be much practical difficulty in enforcing it. E.g. in the case of Vidwans who are invariably Vaidikas of advanced age to whom the idea of Dismissal would be most unacceptable. Under the circumstances Shri Krishnan considers that Dismissal should be optional

and not compulsory in the case of Palace servants. A formal letter will be addressed to Government by the Officer in charge of Palace Establt. when it is received His Highness will be glad if you will have the matter settled

Yours sincerely

S Marjoribanks

A Draft notification is put up.

This must clear of any time that be prescribed within which ~~to exercise~~ the option allowed by the rule as suggested to be revised, in the letter of the Private Secy to H.H. ^ If no such time is to be prescribed, it seems that the restrictive provision contained in the rule as it now stands in regard to the exercise of option by officers who entered the Palace Service prior to 2.7.04 Cannot also be allowed to stand. If officers entering Service after 2.7.04 Can offer to resign whenever they like there is no reason why those who entered Service prior to that date should not have the same privilege. The draft now put up makes the rule General & allows liberty to All Palace

Officers whether they entered Service before or after 2-7-04 of insuring their lives whenever they like.

If however it is considered necessary to limit the time within which officers entering Palace Service subsequent to 2-7-04 can insure their lives, the limit has to be arbitrarily fixed at 6 months—a one year after permanent entertainment and the present provision in regard to officers in service on 2-7-04 may stand. There seems to be no objection to make the rule general & to give these officers option to offer to insure whenever they like. No restrictive provision in regard to time for exercising option in respect of other officers who were in service before 2-7-04 or there

From

B. Ramakrishna Row, Esq.,
Officer in charge of the Palace Estts., Mysore.

To

K. S. Chandrasekhara Aiyar, Esq.,
Secretary to the Government of Mysore,
General and Revenue Departments,
B A N G A L O R E.

Sir,

I have the honor to request reference to article 31 of the Revised Rules for State Life Insurance, as published in 1907. Under the terms of this article Insurance is compulsory in the case of all those appointed permanently to the Palace service on and after 2nd July 1904: As matters stand in regard to the Palace Service much practical difficulty has been experienced, however in enforcing the Rules rigidly in the case of all Palace servants. While holding the Palace servants eligible for the benefits of Insurance, it is at the same time deemed undesirable and inexpedient to force the system upon them. I beg therefore that the Government be kindly moved to relax the Rule so as to make Insurance optional only in the case of Palace servants. To such of them as wish to claim the benefits of Insurance, Rules regulating it will be strictly applied in the future.

I have the honor to be,

Sir,

Your most obedient servant,

B Ramakrishna Row
